```

2.
For the default scoring function the measures are:
```
R-prec            all  0.5755
map               all  0.5718
NDCG@20           all  0.7342
```

For the custom scoring function the measures are:
```
R-prec            all  0.5021
map               all  0.5024
NDCG@20           all  0.6672
```
